EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter Martinez on 06/08/2005.

Application has been amended as follows:

claims 11-36 (canceled).

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 5 the prior arts fail to teach or fairly suggest a network communication system, comprising:

a first device having a first data bandwidth requirement, the first device configured to transmit and receive data at different data rates;

a master transceiver configured to manage data communications between the first device and a second device by assigning a variable length data slot based on the first device and the second device bandwidth requirements;

wherein the communications between the first device and the second device is configured to operate in an ultra wide band environment, in combination with other limitations as specified in the independent claims 1 and 5.
